The complete details of student selected will appear:

Basic detail of student:	
Student Name	Sarika Pandya
Parent Name	Paras Pandya
Gender	Male
Date of birth	12/05/2007
Student UID :	
Contact details :	9999999999
E-mail address,if any (of the nominated students)	email@gmail.com
Category	Gen
Title of the proposed project	PILL ORGANIZER AND REMINDER (POR)
Brief write-up on the proposed project (not exceeding 300 words)	<p>As we know that taking medications on time is very important to improve the quality of life</p> <p>But we have seen that most of us often forget to take the medicine on time or we miss the doses</p> <p>This is especially seen in the elderly people as they have to take daily multiple medicines of varying doses at different times</p> <p>If they regularly forget to take the medicines or miss the doses then this affects the quality of treatment and becomes life threatening</p> <p>So to protect the patients from this risk</p> <p>here is a project to develop a device called Pill Organizer and Reminder</p>
Name of the teacher who may assist / support / guide / mentor the selected student in preparation of the science project / model	Rachana Aswinkumar Shah
Theme	Make In India
